Professional summary

Professional Summary

Creative video editor with over 10 years of experience shaping dynamic content across film, television, and digital platforms. Skilled in crafting compelling narratives through precise editing, managing post-production workflows, and delivering high-impact content under tight deadlines. Brings a sharp editorial eye, a collaborative spirit, and fluency across major NLE systems to every project.

Employment history

Paramount | Editor

Sep 2016 - Present

- Edited promotional materials on Adobe Premiere Pro for major brands including MTV, VH1, and Paramount+, producing visually impactful campaigns that increased audience engagement.
- Collaborated with producers and directors to deliver on-brand content for high-profile shows such as *RuPaul's Drag Race* and *Ridiculousness*.
- Managed a 200TB shared storage system across multiple departments, optimizing access and ensuring seamless workflows.

CD Productions | Editor

Sep 2016 - Present

- Edited two short films overseeing every stage of post-production from including ingesting footage, making proxies, and prepping assets for mix and color
- Edited bespoke media solutions for diverse clients, including animated logos, branded reels, and short-form video content, ensuring alignment with each client's unique branding, messaging, and audience engagement goals.

White Cherry Entertainment - 70th Tony Awards | Junior Editor

May 2016 - Jun 2016

- Assisted in editing broadcast segments for one of Broadway's most prestigious events, contributing to high-quality, polished visuals under tight deadlines.
